ASSEMBLY INSTRUCTIONS FOR ALDRIDGE EXT. DINING TABLE

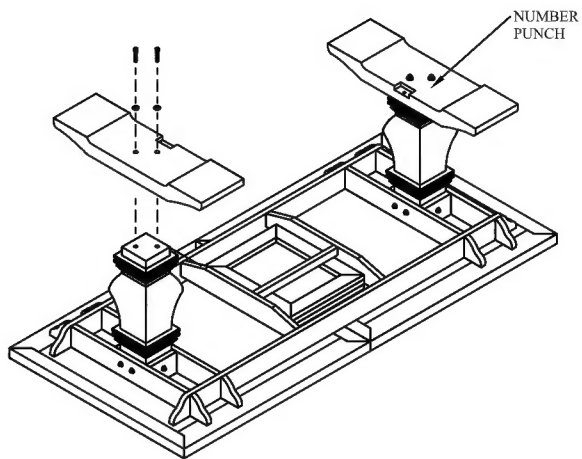

Step 1 : Place the table top upside down on a clean surface.

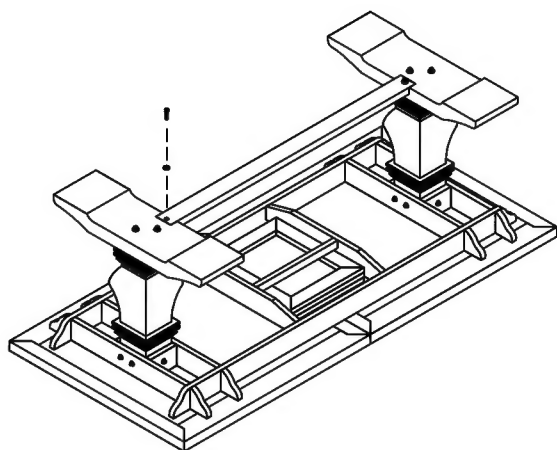

Step -02 Match the number punch on the bottom of each post and insert them into the coordinating slots in the table frame. Align the holes in the post and the frame. Insert allen bolts with washers and tighten every allen bolt with provided allen key.

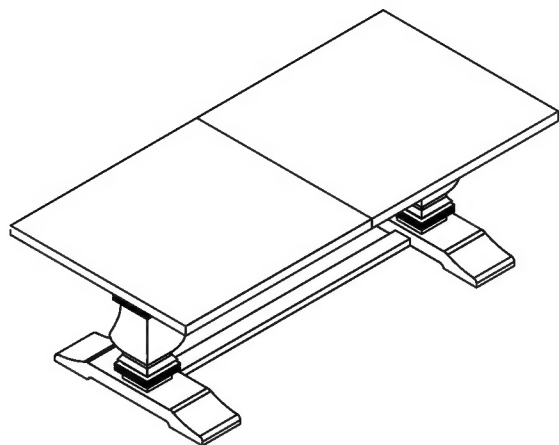

Step-3 Tighten the second leg on other side in the same manner as mentioned in step - 02.

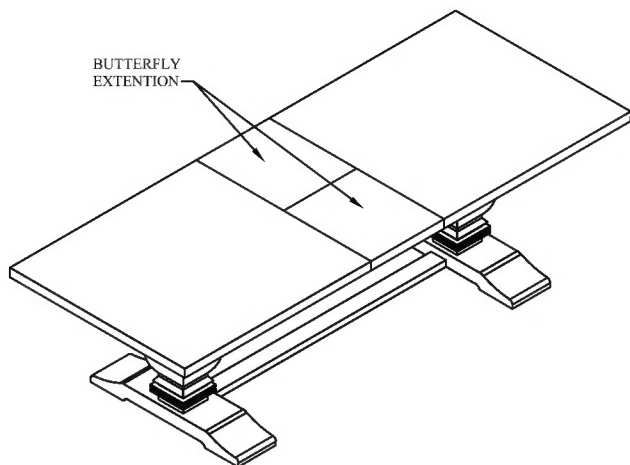

Step -04 Take one base and match its number punch with its corresponding leg then place on the leg so that bottom of leg sits in slot provided on base, now align the hole of base with hole of leg then insert allen bolt with washer into hole and tighten it with allen key.

Step -05 Affix the bottom support with leg base by screwing in the allen bolt with washer by allen key.

Step -06 Reverse the table and it is ready for use.

Step -07 If the butterfly extention is required pull any one half of the top, you will get one butterfly extention, pull the half flap of extention so that it is completely open and rests on the apron of the table then push any one half of the table top to bridge the gap. Now the table is ready for use with butterfly extention.

Step -08 Table with butterfly extention open.
